

Events Calendar Rate Card 2009

You can upload your events to the Body Info website for a flat fee of **R200.00** (excl. VAT). For this bargain fee you can also include 1 picture (up to 300KB in size) for your event.

Be sure to:

- Send all event details to us in a MS WORD format
- Please keep picture attachments separate to text attachments

The **R200.00** flat fee is fixed no matter how big or small your event is because the rate is calculated on TIME and not the size of your event.
